Winemaker Notes

Our 2019 *Shoshana* Rosé displays bright energetic fruit. Harvested from Lone Oak Vineyard, the grapes were picked in late August at approximately 20 Brix. A perfect salmon color, the nose is fresh with hints of honeysuckle and other floral aromas. Light raspberry, strawberry, hints of orange and lemon zest expand in the mouth with the underlying minerality from a natural grapefruit or lemon-like acidity.

Vintage Notes

2019 started with significant amounts of rain in the Russian River Valley. At one point we had “no roads in and no roads out” of our estate. The growing season ultimately turned positive and resulted in excellent weather creating near perfect growing conditions, allowing the grapes to reach their maximum potential, for a classic vintage. We will forever be grateful to our first responders for keeping the 2019 fires east of the 101 which saved our entire community. Luckily all of our wines were already in barrels. .

About the Winery

We are focused on growing and sourcing ultra-premium grapes from the Middle Reach of the Russian River Valley as we believe wine produced from this region has unique age worthy flavors and characteristics that all will enjoy. Our family’s goal is to craft artisanal, limited production wines that will create many memorable experiences.
